

Shipment of goods to MESSE C for fairs and events

When shipping to MESSE C, goods must be sent to the following address with clear marking of the fair, stand number and company name:

<p>Name of Exhibition Stand no. and company name MESSE C Vestre Ringvej 101 DK-7000 Fredericia</p>

Goods should arrive no more than 1 day in advance of the fair's first build-up day, unless otherwise agreed. And must be collected on the last removal day. If goods are delivered outside this period without any agreement, goods may be rejected/removed at the exhibitor's expense.

On delivery, the driver must address the Technical department.

Opening hours of the Technical Department for delivery of goods:

Monday-Thursday 8.00 AM - 3.30 PM

Friday 8.00 AM - 1.30 PM

Phone: +45 7592 2566

The technical department will sign for receipt, but Messe C cannot be held responsible for delivered goods (wrong deliveries, damaged goods or regarding storage).

Messe C will show the carrier where the stand is placed or to a specified location at Messe C.

When using "curbside delivery", the goods will be transported to the stand by a carrier at the exhibitor's expense.

FORK-LIFT: Only with pre-order of fork-lift assistance will Messe C be able to unload trucks (this is a supplementary buy)

We therefore recommend to use carriers, who can unload the goods themselves. **NB: fork-lifts with diesel engines is banned in the exhibition halls.**
